Dear Prospective Student:

Thank you for considering **Faith Bible College**.

Established in 1975, **Faith Bible College** offers a three-year, 90-hour (minimum) program of study leading to the Graduate of Theology degree for the purpose of preparing men and women for Christian ministry as pastors, pastor's wives, teachers, evangelists, missionaries, or other Christian leaders.

Consistent with that purpose, we are a *Bible* college, to be distinguished from a Christian liberal arts college. As such, our curriculum is dominated by courses of study of the Bible, complemented by study of the English language for the purpose of understanding and communicating the truths of Scripture more effectively.

The Lord's best to you in your preparation to serve Him.
